**Trials School** held under the National Sporting Code, Environmental Code and Standing Trial Regulations of the Auto-Cycle Union, this event information and any instructions issued by the organisers and coaching staff during the event.

**Venue:** Keypitts Off Road Adventure Centre. **Keypitts Farm, Oxen Park Lane, Ilfracombe EX34 9RW**

This two-day event is designed to help riders of any ability improve their riding skills and technique. Approximately seven experienced trials riders will be coaching groups throughout the two days providing expert advice. All coaches are ACU trained and registered. We aim to place riders (of a similar skill level) in groups of 7 to 10 riders\* to ensure they receive the most appropriate tuition.

**IMPORTANT:** Photographs will be taken at this event that will end up on social media. If you do not want your or your child's photo' on social media please tell the event secretary.

All entrants must provide their own bike to ride. Bikes ridden by people aged 17 and under must have a lanyard operated kill button and foldable foot-stand. Please ensure bikes comply with TRS1 and TRS8 of the Trials Standing Regulations posted on the ACU website. All bikes will be checked before a rider may start the training.

Child Protection: The Secretary of the meeting is the point of contact (NSC 6.14).

**Youth participation:** All riders below 18 **must** be accompanied by their legal guardian for the complete two days, this is important as the event is run under an ACU training permit. A third party may not oversee anyone else's child. The legal guardian must sign on at the beginning, and be present throughout both days.

**Signage at event:** Riders must adhere to all safety and speed signs at the venue. **Spectators welcome.** **Toilets provided.**

**Litter and Waste.** It is the responsibility of all participants and spectators to take their litter away with them.
