Protests to the secretary of the meeting in accordance with the ACU rules

Thanks to everyone for coming and in general sticking with it. Despite the name of the trial it did prove to be too hard especially 2 sections on a new peice of woodland. The rest was OK and most people found these sections to be quite rideable but it's back to the drawing board if we try again next year to see if we can find a trial that fits the name
As always a huge thankyou to our observers who braved the torrential downpour just as the trial was starting
